

Minutes
Native American Landscape Subcommittee
January 28, 2002
1120 N Street, Sacramento

Attending Ronald Barr, Bishop Tribe
 Tina Biorn, CT Environmental
 Cassandra Hensher, CIBA
 Karen Nissen, CT Environmental
 Kathleen Sartorius, CT Planning
 Larry Shields, CT Maintenance
 Kathy Wallace, CIBA

Five Areas of Focus for the Subcommittee:

- Maintenance and Landscape
- Biology and Cultural
- Protocols for working with each of the above
- Roadside rest areas
- Adopt-a-highway program

Summary

The Landscape subcommittee recommends to the NAAC that we continue to work with Maintenance to:

- Develop guidelines for working with Indians on landscape issues.
- Develop an educational component to bring to Caltrans staff workshops, training, etc.
- Develop guidelines for the identification of plants, working at the local level with Tribes and elders.
- Identify how Caltrans will use and distribute the information.
